4. **Resolutions 6 to 11** are proposed in anticipation of Rule 210(5)(d)(iii) of the Listing Manual of the SGX-ST taking effect on 1 January 2022 pursuant to the Transitional Practice Note 3 of the Listing Manual which set out the transitional arrangements regarding the Code of Corporate Governance 2018.

Under Rule 210(5)(d)(iii) of the Listing Manual, a Director will not be independent if he has been a director for an aggregate period of more than nine years and his continued appointment as an independent director has not been sought and approved in separate resolutions by (a) all shareholders; and (b) shareholders excluding the directors and the chief executive officer of the Company, and their respective associates (as defined in the Listing Manual of the SGX-ST) (“**Two-Tier Voting**”).

Each of Mr Lim Heng Chong Benny, Mr Koh Choon Kong and Mdm Xu Chun Hua is an Independent Director who has served for an aggregate period of more than 9 years.

As Mr Lim, Mr Koh and Mdm Xu are seeking re-election as Directors at the AGM, the Company is proposing to seek, at the same time, the requisite approval from shareholders for their continued appointment as Independent Directors via the Two-Tier Voting process. In accordance with Rule 210(5)(d)(iii) of the Listing Manual, such approval will remain valid until the earlier of the following: (i) the retirement or resignation of the Independent Director; or (ii) the conclusion of the third AGM of the Company following the passing of these resolutions.

The Board of Directors (the “**Board**”) and the Nominating Committee (with Mr Lim, Mr Koh and Mdm Xu abstaining from the decision-making process with respect to the assessment of his/her independence) have evaluated the participation of Mr Lim, Mr Koh and Mdm Xu at the Board and Board committee meetings, and determined that each of them continues to display independent thinking and the ability to exercise objective judgment during decision-making, and that his/her respective length of service did not in any way interfere with his/her exercise of independent judgment nor hinder his/her ability to act in the best interests of the Company. In addition, each of them fulfils the definition of an Independent Director in the Listing Manual and the Code of Corporate Governance 2018.

5. **Resolution 14** – Resolution 14, if passed, will empower the Directors to issue shares, make or grant instruments convertible into shares and to issue shares pursuant to such instruments. The number of shares which the Directors may issue under this Resolution will not exceed 50% of the issued shares (excluding treasury shares and subsidiary holdings) of the Company, with a sub-limit of 20% for issues other than on a *pro rata* basis. For the purpose of determining the aggregate number of shares which may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company at the time that Resolution 14 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards, which were issued and outstanding at the time this Resolution is passed, provided that such share options or share awards were granted in compliance with Part VIII of Chapter 8 of the Listing Manual of the SGX-ST; and (b) any subsequent bonus issue, consolidation or subdivision of shares. For the avoidance of doubt, shareholders’ approval will be required for any consolidation or subdivision of shares.
6. **Resolution 15** – Resolution 15, if passed, will renew the mandate to allow the Company to purchase or otherwise acquire its issued ordinary shares, on the terms and subject to the conditions set out in this Resolution.

The Company may use internal or external sources of funds to finance the purchase or acquisition of its ordinary shares. The amount of financing required for the Company to purchase or acquire its ordinary shares, and the impact on the Company’s financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of ordinary shares purchased or acquired and the price at which such ordinary shares were purchased or acquired and whether the ordinary shares purchased or acquired are held in treasury or cancelled.

The financial effects of the purchase or acquisition of such ordinary shares by the Company pursuant to the proposed Share Purchase Mandate on the unaudited financial statements of the Group and the Company for the financial year ended 31 December 2020, based on certain assumptions, are set out in paragraph 2.8 of the Letter to Shareholders dated 8 April 2021.
